**X** \_\_\_\_\_  
 Technician Signature  
 I have completed the work and explained the warranty.

**X** \_\_\_\_\_  
 Customer Signature  
 I accept the work, material and warranty as described.

## OUR GUARANTEE

1. We will complete our service in your home and all of our other affairs in a professional manner. We warrant that our service and parts installed will be free from workmanship defects for a period of thirty (30) days from the date of installation or service. Some parts may have extended warranty provided by the manufacturer. Winnipeg Home Services liability is limited to the total dollar value of this invoice.
2. When we install equipment it is to the existing fittings in your home. If there is any additional work required to the fittings to meet DOL/Hydro safety standards the work and material are not included in the price to install the equipment to existing fittings. Our technician will, of course, explain any additional work before starting the job.
3. Our pricing guarantee is simple. We will supply the material and do the specified work for the price quoted. Before we do any work, we will explain what we are doing, how long it will take, and confirm that you understand all that is involved.
4. All equipment and part warranties are offered on behalf of our supplier. Conditions, such as annual maintenance service apply to all equipment and parts. If the manufacturer conditions are not met, the warranty is void. All conditions are listed in the product documentation.
5. We will take care of your property. In order for us to serve you better we ask that you move your personal possessions to a safe area prior to us starting our work. The nature of repair work means that we need clear access to the equipment and electrical panel. While installing or repairing we may need to move fixtures and material (ceiling tiles for example). While we take every care with your property, we cannot be responsible for these fixtures and material. We will, of course, advise you of any issues we encounter during our work and recommend how we can fix it.
6. Our technicians respect you and your home. At all times we will be courteous, polite and keep you informed of what we are doing and when we will be done. When our work is finished we clean up our materials, leaving your property neat and tidy.
7. I have authority to order the work, which has been satisfactorily performed, as outlined on the front of this form. Unless otherwise agreed, payment of invoice due on receipt. 2% interest on overdue accounts. Customer pays all collection costs.
